Chambers Review:

What the Corporate/M&A team is known for

Highly respected ECM offering, especially noted for its handling of large and complex IPOs, rights issuances and other transactions. Gains increased recognition for its diverse corporate practice, regularly advising leading energy, infrastructure, finance and real estate clients on M&A, reverse takeovers, joint ventures and venture capital.

“

Albar & Partners is perhaps the best legal firm in Kuala Lumpur for corporate transactions”.

“...good technical knowledge and professionalism...”

Chambers Asia Pacific Client Feedback 2019

What the Banking and Islamic Finance team is known for

Leading practice, highly respected for its extensive experience advising on conventional and the full suite of Islamic finance structures. Regularly advises prominent arrangers, advisers and issuers, including a number of Malaysia’s leading financial institutions, on complex DCM transactions. Well placed to advise clients on a full range of asset, acquisition and structured financing, as well as derivatives and mezzanine deals.

“

...they provide valuable legal input, are responsive to issues, and always meet expectations in terms of quality for assigned tasks.”

“... client-centric... willing to go the extra mile for us.”
